+852-7073-8251 | seoyoung.shin@outlook.com | Available to start immediately; full-time until Jan 2027

EDUCATION

The University of Hong Kong

Bachelor of Journalism & Double Major in Business Administration in Marketing

Hong Kong SAR

Sep 2022 – Dec 2027

- **Relevant Coursework:** Business and Financial Journalism, Marketing Research, Data Journalism

WORK EXPERIENCE

DBS Bank

Global Financial Markets Operations Intern

Seoul, South Korea

Jun – Sep 2025

- Assisted trade lifecycle processes across FX, derivatives and fixed income products for Korean institutional clients
- Analyzed trading data to produce daily reports on product volumes and client activity to assist the sales desk in tracking transaction flows and investment performance
- Monitored daily cash balances and nostro accounts to support liquidity management, tracking funding positions and following up on unmatched payments to ensure accuracy; prepared monthly cash reports to support internal review and decision-making
- Reconciled trade and cash positions against client confirmations and bank statements, liaising with external counterparties via calls and emails to avoid discrepancies and ensure accurate settlement

Boston Consulting Group

Research Analyst

Seoul, South Korea

Aug – Oct 2024

- Supported go-to-market strategy development with a new product launch for a leading client in F&B sector
- Interpreted client data, expert interviews, and desk research to uncover demand drivers and revenue growth opportunities, producing 30+ presentation slides for final client deliverable
- Performed comparative analysis of key players in domestic and global probiotics market, evaluating financial performance, product positioning and R&D capabilities to assess pricing strategies and revenue growth potential
- Derived market size and growth dynamics across domestic and international markets to develop key valuation inputs, including demand and growth assumptions, supporting expansion feasibility analysis

Agence France-Presse (AFP)

Video Journalist

Seoul, South Korea

May – Jul 2024

- Reported on major South Korean news and feature stories, mostly on market trends and industry dynamics, selling English-language contents to global news organizations or media outlets
- Produced 30+ end-to-end video reports (planning, filming, editing), driving 150+ downloads and 500K+ views across AFP's official YouTube and Instagram channels
- Conducted on-site interviews and provided real-time translation from Japanese and Korean into English

S-Core (Samsung In-house Strategy Consulting Firm)

Research Assistant

Seoul, South Korea

Jun – Aug 2023

- Contributed to the development of digital channels optimization strategies for Samsung Electronics' new product launches
- Interpreted daily performance data from post-launch 50+ global e-commerce channels; provided weekly insights on up-to-date traffic trends and patterns of customer behavior
- Assessed regional channel dynamics across APAC and LATAM markets to identify actionable insights on channel effectiveness and revenue opportunities, contributing to client-ready interim reports

EXTRACURRICULAR ACTIVITY

KOINS Investment Society

Senior Associate

Hong Kong SAR

Jul – Dec 2025

- Led a team of 5 junior analysts as a team leader to deliver a stock pitch on HD Hyundai Electric (267260.KS)
- Built an investment thesis by identifying key upside catalysts, analyzing earnings drivers, and performing valuation analysis using backlog growth, ASP trends, and peer benchmarking
- Facilitated training sessions for junior analysts on market reporting and valuation models to enhance investment analysis skills
